SEVENTH-DAY ADVENTIST
Rufus B. McDannel, Pastor
Sabbath School Lesson No. 8 for Aug. 21, 1971
Subject: The Method of Missions
Scripture Key Text —"Verily, verily I say unto you. He that believeth on me, the works that I do shall he do also; and greater works than these shall he do because I go unto My Father." John 14:12

"In John 14:15 and 16 we have what appears to be our Lord's longest sermon, given to a small group of disciples just before His betrayal and crucifixion. Several thoughts stand out in this conversational discourse to the eleven:

1. "The object of Christ's departure was the opposite of what the disciples feared. It did not mean a final separation . . . While He was building mansions for them, they were to build characters after the divine similitude."—The Desire of Ages, pg. 663.

2. Repeatedly in these chapters. He assures them of the coming of the comforter after His departure. John 14:16,18,26 15:26; 16:7,8,13,14.

3. He emphasizes the oneness and unitity in Him (Chapter 15) and He prays (chapter 17; that his disciples and believers may be one, that they may be sanctified through the word which He has given them, and that they might be made perfect, and then He tells them, "Tarry ye in the city of Jerusalem" Luke 24:49 for the power of witnessing. In this lesson we shall endeavor to discover if the message, presentation, and the methods of the disciples differed in any from those of Christ.

Please study the "Lesson Outline" closely as given here— I. Build My Church, Matt. 16:18, 19. 2. Laying the Foundation, Matt. 10; 1, 5, 6, Luke 10:1, 3. Early Beginnings Acts 2:14, 41,47. 4. Outreach of the church, Acts 9:15; 10:45. 5. Paul Sent Forth. Acts 13:2,3. 6. Paul's message and methods. 1 Cor. 2: 2, 9:16; Eph. 3:8; 2 Tim. 1:11.

These Summary Questions—A test of our study power will answer most of our questions Believe.

1. True or False: When Christ founded the New Testament Church, he specified every detail of organization and method. False.

2. Complete: "But tarry ye in the city of Jesualem until ye be endued with power from on High." 3. What effect did the Penticost experience have on the language of the disciples ever after? It was pure simple and accurate. 4. Saul's (Paul's) commission to be an "apostle" to the Gentiles was revealed. (a) at the Damascus road conversion (b) to Saul while he waited in blindness (c) to Ananias when he was sent to Saul; (d) during Paul's three-year time Arabia.

5. True or False: Paul always followed a carefully preplanned itinerary on his missionary journeys. False.

6. Complete: I am made all things to all men, that I might by all means save some. 2 Tim. 1: 11, Paul says "Wherefore I am appointed a preacher and an apostle and a teacher of the Gentiles."

Sabbath School — 10 a.m.
Worship Service —11 a.m. All are invited to come. Bring a Friend with you.

"The proposed preservation ... and reactivation of the Lynchburg Academy of Music," the commission's statement said, "provides a unique opportunity for a Virginia city to institute a significant cultural landmark, both for itself and for the state."

Miss Holt of 1201 Langhorne Road said, "As a near neighbor and as itself the possessor of one of America's outstanding landmarks, Appomattox has been chosen to lead the way in cooperation.

"Other towns and communities whose collaboration is invited include Altavista, Amherst, Bedford, Brookneal, Buckingham, Chatham, Cumberland, Glasgow, Natural Bridge, Pamplin, Rustburg, Snowden and many others."

Mr. and Mrs. Roy Moon and Mrs. M. G. Stimpson will lead the way in organizing the Appomattox group. Moone is vice president of the Appomattox Chamber of Commerce.
